Thanks so much. It didn't have exactly what we needed but still useful. Thanks again.

Allen

Subject: MCAD data wanted

All,

The MCAD GIS has sent us (Texas Forest Service GIS) their parcels data for West, Texas. We are looking for a few more data fields and I was hoping you had them. Specifically we are looking for anything related to square footage of each home. It would be most helpful if you could share this with us. Thanks in advance.

Allen
